ASSOCIATION

GSHA 2022 Convention will offer UP TO 12 hours of continuing education (1.2 CEUs). Partial credit is available for the convention if you are unable to attend every session.

Participants are required to report their attendance, list 3 learning outcomes and share their ASHA number at the end of convention in order to earn ASHA continuing education credit.

Please track your attendance throughout the convention via the Socio app and keep this information for your records.

To apply for ASHA CEUs, you must COMPLETE THE FOLLOWING FORM BY MARCH 12, 2022 at <https://forms.gle/nssSfep91HQMMkC57>. Failure to complete the form by the due date will prevent you from earning Continuing Education Credit for this event.

GSHA will send you a copy of the form to serve as a certificate of attendance about 1-2 weeks after the due date. Please keep the program and a copy of the certificate of attendance (e.g. for verification for Georgia State Licensure). Please be patient with CE submission. It may not show up on your ASHA registry until 6-8 weeks after the event closes.

We will not accept late submissions.

Do not submit more than once.

Please carefully check this form for accuracy. If you made an error, please contact the ASHA CE Administrator at kajonesslp@gmail.com

The online form replaces the "bubble sheet" and "stamp sheet" used in the past. Our Continuing Education Administrator will verify your attendance,

convert the contact hours to CEUs, and report this information to ASHA. DO NOT contact ASHA directly to report your attendance at this convention. Please note, if you want ASHA to maintain a record of your hours, you must pay for the annual ASHA CEU Registry.

For ASHA CEU questions, contact the ASHA CE Administrator at kajonesslp@gmail.com

At the end of convention, submit for ASHA CE's here: <https://forms.gle/nssSfep91HQMMkC57>
